EXAMINER'S COMMENT

This Office Action is responsive to the applicant's amendment filed on Aug. 8, 2006.

Claims 1 and 2 have been amended. Claims 3-14 have been added. Accordingly, claims 1-14 are pending in this application.

Drawings

The drawings were received on May 22, 2006. These drawings are acceptable.

Specification

The substitute specification filed on May 22, 2006 contains no new matter; thus, the substitute specification is approved.

Allowable Subject Matter

Claims 1-14 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claim 1: the prior art fails to disclose or render obvious the claimed combination including: a pair of rotors including male and female rotors including helical lobes each having a leading flank portion having a profile formed from at least one ellipse, and wherein a trailing flank portion of the helical lobes of at least one of the male and female rotors having a profile formed from at least one ellipse.

Regarding claim 10: the prior art fails to disclose or render obvious the claimed combination including: a pair of rotors including male and female rotors including helical lobes each having a leading flank portion having a profile formed from at least one ellipse; wherein a trailing flank portion of the helical lobes of at least one of the male and female rotors having a
